

Project Credit Distribution

Complete this form, have all group members sign it, then submit it with your project. Late credit distributions will not be accepted. Distributions not signed by all group members or incomplete forms will not be accepted. Uniform credit distribution will be assumed for missing/late/incomplete forms.

The credits should reflect the effort each member contributed to the whole project. Above (below) average credits will scale up (down) individual grades for the project.

Project Title: _____

Date: _____

Name	Credit	Signature
	+	
	+	
	+	
	+	
	+	
	+	
Total	= 100	

Examples:

- If all four students in a group did equal work then equal credit 25/25/25/25 should be allocated.
- If one of the four students did twice as much as the others the distribution should be 40/20/20/20.
